

Appointment Cancellation and Rescheduling

Tennessee Cancer Specialists is committed to providing all of our patients with exceptional care. When a patient cancels without giving enough notice, they prevent another patient from being seen.

If any appointment that is scheduled by the recommendation of your physician is canceled or altered without notification, be advised this may affect your treatment and overall outcome.

We understand that situations arise in which you must cancel your appointment and that emergencies do happen. We will be happy to work with you to get your appointment rescheduled as soon as possible.

Please call your local clinic **24-hours in advance of your scheduled appointment** to notify us of any changes or cancellations. **To cancel a *Monday* appointment, please call your local clinic by 2:00 p.m. on *Friday*.**
